Hey guys,

Hope you are doing well and enjoying your time at home.

We had our phase 1 of the eBaja competition on the 4th and 5th September and unfortunately due to severe time constraints couldn't accommodate you guys at that time.

As most of our quiz have finished or will be finishing this week, we will be planning for the phase 2 and with sufficient time available would be delightful to work with you.

Also if one of the team members from the team is not able to dedicate enough you may have an opportunity to be part of the team as well.

Below is the list attached for the team assigned to you as is temporary, if you wish to have it changed you may discuss among yourselves and mail or message the same to me.

Looking forward to working with you!
